

Let us put you to the test on a genuine, purpose-built racing circuit with the new Rockingham Masterclass. No more boring airfields - with just 12 people in a team you've got the time and we've got the space for you to prove you're the best on the track.

## Dare you cross the line?

## The Challenge

Experience the challenge of mastering four different disciplines, driving eight very different cars at Rockingham's world-class circuit. This is designed for maximum driving time and maximum track space so you can perfect your performance driving skills. Expert tuition from MSA licensed instructors is available all day to push you to the limit. You won't experience this combination of performance driving challenges anywhere else.

**Team Size** - 12 people **Activities** - 9

### V8 Supercars

Can you handle the chance to drive a genuine racing car on Rockingham's testing National circuit? Now it's your turn to be a touring car star. These pure-bred racing cars are straight from the Australian V8 Supercar stable. As well as supporting the Bahrain Grand Prix, these awesome 5.7 litre V8 Supercars are raced in the Lumina CSV Middle East Championship.

### Ferrari 360

To be quickest around the circuit you'll need to be supersmooth. You'll get progressive tuition in the fearsome Ferrari 360 and we'll have you getting quicker with every thrilling lap.

### Porsche 911

You'll mix technical low speed corners and high speed sweeping curves on the superb National circuit in the iconic Porsche 911 supercar.

### MINI Cooper S

Bring it on as you race to see who can get the most out of the supercharged MINI - this pocket rocket will surprise you.

### Wet Grip

Ready for the unexpected? A kick-plate that fires you off-line onto a polished surface, so smooth it's like ice. Learn about the limits with the help of ESC on our unique wet grip area. There are bonus points on offer for the most flamboyant slides.

### Race Simulator

This is your chance to top the Rockingham leaderboard and become a hero. You'll need all of your driving skills as you set your time at the wheel of a race car on our International Super Sportscar Circuit. Have you got what it takes to beat the lap record?

### Rallying

Rip up the rule book - driving fast on gravel takes phenomenal car control. You'll be taught lift-off oversteer techniques and Scandinavian flicks and you'll need to use all these tricks to get the car around the stage faster than your team mates.

### Tame the Oval

Can you tame the oval and take these racing cars right to the edge of the famous Rockingham wall? Tiny adjustments of the controls - and your nerve - are all that's needed.

### Feel the Force

Relax - if you can - on a high speed wild ride around the amazing Oval. Will you be the first to use the bottle button?

## Relax in Luxury

As well as the thrills of driving, you'll also have luxury hospitality in the impressive glass-fronted grandstand. Panoramic views of the entire circuit and the surrounding countryside mean you won't miss any of the action. You'll also enjoy refreshments throughout the day and mouth-watering banqueting options created by our chef.
