Drift School

Master the art of drifting in a true rear-wheel drive British sportscar on a polished surface, so smooth it's like ice. Keep the razor-sharp Lotus Elise in a controlled drift with your right foot on our unique wet grip area.

Race Simulator

This is your chance to top the Rockingham as you set your time at the wheel of a virtual race car on our International Super Sportscar Circuit. Have you got what it takes to beat the lap record?

Rallying

The authentic rally experience - driving fast on our tarmac rally stage whilst listening to our pace notes, you'll need to use all your concentration and driving talent to get the car around the stage faster than your team mates.

Tame the Oval

Can you tame the oval and take these racing cars right to the edge of the famous Rockingham wall? Tiny adjustments of the controls - and your nerve - are all that's needed.
