V8 Supercars

Pure-bred racing cars straight from the Australian V8 Supercar stable, raced at the Bahrain Grand Prix and in the Lumina CSV Middle East Championship, these powerful 5.7 litre race cars really test your track driving skills. You're a touring car star as you drive the perfect lap.

Porsche 911 Turbo

Find out just what the Porsche 911 will do as you focus on your braking and clipping points to drive the perfect lap. This thoroughbred demands all of your attention, don't lift as you power around the long, long corners before standing hard on the brakes for the technical sections.

Formula Rockingham Single Seater

Driving the single seater on the famous Rockingham Oval circuit demands accurate racing lines and smooth throttle control in order to maintain maximum speed for the perfect lap. Revel in the sensation of sheer speed just inches from the wall - this is driving at it's most raw and exhilarating.

MINI Cooper S

This iconic little car punches way above its weight and you will enjoy learning the track in this eager supermini. The nimble handling will put a massive grin on your face and surprise you with the way it delivers it's 175bhp out on the demanding National Circuit.

Wet Grip

Spectacular and sideways, bonus points are awarded for flamboyance as you keep the car in a controlled drift around our low-grip crescent and then slip through the water walls with the help of ESC. Just as you think you have everything under control the car breaks away on the highly polished surface.

Autotest

The pressure is on. Pit yourself against the clock on the tricky Autotest course, with your team-mates watching. All your control, finesse and expertise is required to get round without incurring time penalties. Bring it on!

High Speed Rides

You thought you could drive? Well sit back and relax - if you can - as the professional drivers show you how it's done on an unforgettable wild ride around the amazing Oval.

Relax in Luxury

As well as the thrills of driving, you'll also have luxury hospitality in the impressive glass-fronted grandstand. Panoramic views of the entire circuit and the surrounding countryside mean you won't miss any of the action. You'll also enjoy refreshments throughout the day and mouth-watering banqueting options created by our chef.
